

Targoviste, our beautiful city!

By Patry&Delia

Population:

- ***The estimated population of Targoviste is approximately 65.582 people.***

Every person has their role in our city.

The best places to visit in Targoviste

- ***Chindia Tower is the undisputed symbol of the city. Visitors can climb its 122 steps for a panoramic view of the entire archaeological complex and city. It currently houses an exhibition dedicated to the life of Vlad Țepeș.***

- *The ruins of the old fortress, ruled by **Mircea the Elder**, are witnesses to the glorious history of the city.*
- *Our school is located across the street, from our classroom we can see the great **Chindia Tower**.*

A short history lesson about Targoviste

- *Targoviste was the second capital of Romania after Curtea de Arges.*
- *Targoviste served as capital of Wallachia for over three centuries (1396-1714).*
- *The top 5 most important rulers were: **Mircea the Elder**, **Vlad the Impaler**, **Radu the Great**, **Petru Cercel**, **Matei Basarab**.*

A short geography lesson about Romania

- ***Targoviste*** is located in the central-southern part of ***Romania***.
- The rivers ***Ialomita***, ***Dambovita***, ***Ilfov*** pass through our county.
- ***Targoviste*** has a moderate-continental climate specific to the zones between hills and plains.

- ***We hope you enjoyed our presentation.***
- ***We are so glad to be here with you!***
